Planting a Better Future

A SOCIAL IMPACT PROGRAM AT OUR COMMUNITY

We're proud to partner with **One Tree Planted** to give back to the planet and create a healthier, greener future for generations to come.

For every new move-in, **we'll plant a tree in your loved one's honor.** It's our way of celebrating new beginnings while making a lasting, positive impact on the environment.

WHY TREES MATTER

GOOD FOR THE PLANET

Trees help combat climate change by absorbing CO_2 and restoring habitats.

GOOD FOR PEOPLE

Greener communities support cleaner air, better health, and stronger ecosystems.

GOOD FOR FUTURES

We're leaving a legacy of care - for our residents, our community, and the Earth.

YOUR MOVE-IN. THEIR IMPACT.

1 NEW MOVE-IN = **1 TREE PLANTED**

Together, we're building a stronger, more sustainable world-one tree at a time.

Thank you for being part of something that grows.

LET'S GROW A BETTER TOMORROW-TOGETHER.

Ask our team how your move-in helps create a greener future.
